

Selly Park South Community Response to Covid-19

Do you feel you may need help due to the Coronavirus / Covid 19 situation?

Maybe you are self-isolating, are aged over 70, pregnant or with an underlying health condition?

Or maybe you feel like you need a little extra support at this time for whatever reason?

Selly Park South Neighbourhood Forum and Christ Church (Persore Road) are bringing together a pool of local volunteers willing to help in whatever way we can, for example: by collecting groceries, by collecting medicine, or simply providing a listening ear. It might also be that you'd like a friendly call from time to time?

If you feel you may need help now or over the next few weeks, please get in touch.

Alternatively, you may be willing to volunteer in some way.
